

Visit Our Larchmere Merchants!

Our History

Started in 2008 by Larchmere neighborhood residents who saw the effectiveness of community building through music at a porch fest in Ithaca, NY, this free event was adopted and has become one of Cleveland's most popular summer kickoff events. We host "30 bands on 30 porches." Neighborhood residents and merchants host local artists on their front porches, balconies, patios, and side lots while welcoming visitors to their neighborhood.

This family-friendly event is supported by our amazing volunteers, partners, sponsors, and donors.

If you are interested in helping us reach future goals, please reach out larchmereporchfest@gmail.com.
